Semester 1 Project is slightly different from Semester 2 Project, in that you are required to propose or arrange your own topic, in consultation with a supervisor from this School. See last year's topics for projects of interest to you and supervisors who might be interested in them.

NOTE that everything, all forms, plans, drafts and treatises, must be handed in before 3:30pm of the relevant date, at the Level 4 EIE Office.

Do NOT hand them in to your supervisor. **Do NOT** hand them in to me, the Project Co-ordinator.

NOTE also that you must get your name ticked-off with each hand-in. Forms/treatises stuffed under doors or shutters after 3:30pm will be removed by the cleaners. People queued in the corridor at 3:30pm have NOT handed in their forms or treatise. They will need to come back the next working day.

Hand your form/treatise in early!
