

## Project Topics

If you have an enquiry for a specific project, contact the respective staff member.

For general enquiries, contact the Project Co-ordinator [Dr Jim Rathmell](#).

For email addresses of individual staff, see the [School Directory](#).

Note that ALL projects MUST have an EIE academic supervisor (from the first table below). For your own topic or for topics with other Schools or with adjunct/visiting staff, you must also get an EIE academic staff member to act as administrative supervisor.

The [topic allocation](#) has been published. Please read the [FAQ](#) beyond shooting off a complaint. Remember, you can always change your topic!

The topics listed immediately below are with SEIE academic staff. **For these projects, use the Project Preference form.** As described in Project Requirements, allocation will, if necessary, be decided by your WAM. We will use your [2007 Annual Average Mark](#) (tell me if we have got it wrong). This can also be displayed [graphically](#), to give you an id of your position.
